Section A Program Description and Criteria

- 1) The LEED Grant Program is available to property owners developing, redeveloping or renovating lands and buildings within the Hamilton LEEDING the Way Community Improvement Project area as outlined on the attached plan;
- 2) An application for LEED Grant Program (LGP) must be submitted to the Economic Development Division, Planning and Economic Development Department. prior to the commencement of development;
- 3) The City will share (50/50) the eligible incremental construction costs (to a maximum, as per the table contained on page 2 of the LEED Grant Program Description and Terms), consultation, energy modeling and certification fees with the applicant to achieve official certification under the LEED rating system by the Canadian Green Building Council (CaGBC).
- 4) The total value of the LEED grant provided under this program will not exceed the increase in municipal realty taxes as a direct result of the development or redevelopment of the land or building;
- 5) The LEED grant shall not exceed 75% of the municipal realty tax increase during the first five (5) years *following* the official certification of the building by the Canadian Green Building Council (CaGBC);
- 6) The LEED grant shall not exceed the City's share of the incremental construction cost;
- 7) The LEED grant shall terminate following the 5 year period (5 grant payments) or when the City's share of the incremental construction cost has been granted in full or whichever comes first;
- 8) The LEED grant does not preclude the applicant from applying for any other available municipal programs except other tax increment financing programs.
- 9) The LEED grant may be assigned by the registered owner, assessed owners, and tenants, and to any person to whom such owner or tenant has assigned the right to receive the grant;
- 10) The application must include reports, plans, estimates, assessment records, contracts, confirmation that realty taxes are current and other details as may be required to satisfy the City with respect to the eligible costs of the project and conformity with the LEEDING the Way Community Improvement Plan;
- 11) Eligible program costs include the costs of construction, consultation, energy modeling, certification fees to achieve LEED certification under the LEED rating system by the Canadian Green Building Council (CaGBC);

- 12) The compliance of this application with the criteria of this program and the amount of the property grant (within the permitted terms of this program) is at the sole discretion of and subject to Council approval.
- 13) Actual costs for any or all of the above items in eligible program costs above may be subject to audit by the City, at the expense of the property owner;
- 14) All property owners participating in this program will be required to enter into an agreement with the City which will specify the terms and conditions of the annual grant;
- 15) All LEED Grant Program applications and agreements must be approved by City Council or City Council's designate;
- 16) The City reserves the right to require the submission to the City's satisfaction, of reports and documentation submitted to the CaGBC for certification under the LEED rating system;
- 17) The project must be in compliance with City by-laws and policies, including zoning, site plan, urban design guidelines, etc.; and
- 18) If a building(s) erected on a property participating in this program is demolished before the grant period expires, the remainder of the monies to be paid out under the grant shall be forfeited;
