HAMILTON HERITAGE CONSERVATION GRANT PROGRAM

PROGRAM DESCRIPTION

The Hamilton Heritage Conservation Grant Program (HHCGP) is intended to provide financial assistance in the form of matching grants between \$1,000 to \$5,000 for the conservation and restoration of cultural heritage resources. The objective of the Hamilton Heritage Conservation Grant Program is to assist in the on-going conservation of heritage properties designated under the *Ontario Heritage Act* that are not eligible for the Hamilton Heritage Property Grant Program (HHPGP).

TERMS OF THE PROGRAM

1. The grant is contingent on properties being designated under Parts IV or V of the *Ontario Heritage Act*.
2. An application fee of \$105.00 is to accompany the application. The rate of the fee may be changed from time to time as approved by City Council.
3. The grant is conditional upon a Heritage Permit; or easement approval; or other City approval, being issued for the heritage component.
4. The grant is conditional upon all required planning and building code approvals.
5. Improvements commenced prior to submitting an application are ineligible. Improvements commenced after submitting an application, but prior to application approval, are undertaken at the applicant's risk, as funding may be refused.
6. The Commercial Districts and Small Business Section, in consultation with Planning staff, reserves the right to recommend works that are integral to the preservation of the building required to preserve/conservate the heritage features.
7. The grant amount will total a minimum of \$1,000 to a maximum \$5,000 per municipal address, identifying multiple and separate units and entranceways per year, subject to available funding. The awarded grant amount will total one half the lesser of either the actual eligible project cost (cost as outlined in the final invoices for the completed project) or the estimated eligible project cost

(estimated cost as identified on the Hamilton Heritage Conservation Grant Program application form).

8. Work completed must comply with estimates, and work proposed and identified within the application unless previously approved by the Commercial Districts and Small Business Section. City staff will visit the site to ensure that the work has been completed in conformity with the conditions of the grant approval.
9. At the sole discretion of the Manager of the Commercial Districts and Small Business Section, partial payments for works completed can be processed consistent with the payment process described above.
10. At the sole discretion of the Manager of the Commercial Districts and Small Business Section, the grant cheque can be made jointly payable to the applicant and the contractor if such a request has been received from the applicant.
11. The grant is not transferable upon sale of the property.
12. Properties eligible for the Hamilton Heritage Property Grant Program are not eligible for this grant program.
13. The grant may be received by an owner in conjunction with approval of a loan under the Hamilton Community Heritage Fund Loan Program, provided that funding under these programs will not fund the same work.
14. Approval of the grant application is at the absolute discretion of the City and subject to the availability of funds.
15. Without limiting the discretion as set out in paragraph 14 herein, the City Council, whether or not an Applicant satisfies the requirements of the Program, may reject any application received from an applicant where, in the opinion of Council, the commercial relationship between the City and the Applicant has been impaired by, but not limited to, the applicant being involved in litigation with the City. Applicants are individuals, corporate entities and individuals behind the corporation (Officers/Directors/Shareholders).
16. A successful applicant will enter into an agreement with the City containing, but not limited to, the terms and conditions set out in the program description.

SUBMISSION REQUIREMENTS

Prospective applicants must consult with Planning staff as early as possible in the process of planning a project. This pre-consultation is required to determine eligibility, avoid delays in the processing of an application, and determine if a Heritage Permit is required.

Prospective applicants should also discuss their proposal with representatives from Building Services and the Planning Division to determine if there are regulations that require additional permits or approvals.

Prospective applicants shall then submit a Hamilton Heritage Conservation Grant Program application form, as well as other required information. The types of information required with each grant submission include, but are not limited to:

- A Heritage Permit application form and/or a Heritage Permit approval letter;
- Photographs of the project site and of the features showing what and where the work will take place;
- Copies of any relevant historical documentation, including historical photographs or illustrations;
- Drawings, specifications or descriptions (as necessary) that adequately illustrate the scope, type of work and location as proposed. Depending on the scope of the work, drawings prepared by the property owner may be acceptable. However, should an architect or consultant be retained, detailed drawings are requested;
- A brief summary of the overall project budget, with eligible conservation work clearly itemized;
- At least two (2) competitive cost estimates for all labour and materials involved in the proposed work unless there is only one local specialized supplier of a particular product, trade or service. Although it is not mandatory, applicants are encouraged to select suppliers, contractors and/or trades people with demonstrated experience with heritage properties. Please note a contractor licensed with the City of Hamilton may be required to undertake the works; and,
- A statement detailing other grants or funding sought for the proposed work, where applicable.

FREQUENCY OF GRANT

Funding for eligible applications will be awarded on a first-come-first-served basis. A property owner may receive one grant per municipal address per calendar year. Applications will either be conditionally approved or refused.

COMPLETION OF WORK

Work must be completed within **one** year of receiving a conditionally approved grant. Invoices for costs of the completed project shall be submitted to Commercial Districts and Small Business Section staff to verify the eligible amount of the grant. Invoices must be submitted within one year of receipt of the conditionally approved grant, unless the deadline is extended by Commercial Districts and Small Business Section staff. An applicant with a conditionally approved grant who is deemed to have failed to comply with the terms of the Hamilton Heritage Conservation Grant Program shall not be awarded that grant and is prohibited from making a grant application for the same work in the following calendar year.

NOTE: Work that was approved, but done in a poor or defective manner or in a manner contrary to the conditions of the grant approval or the Heritage Permit (if required), will not be funded.

ELIGIBILITY REQUIREMENTS

- The eligible property must not be in arrears or default of any municipal taxes.

- Owners and tenants of eligible properties may apply for assistance. Tenants are required to provide documentation of the property owner's consent to the improvements with their application.
